September 27, 2021

Dear Parents/Guardians:

The School District of Crandon continues to see a significant rise in COVID-19 cases and other illnesses amongst our student population. Due to current case counts within our district and community, your child may be at increased risk for and/or may have come into contact with an individual who has tested positive for COVID-19. This means that your child is at higher risk of becoming ill from the virus. The increased demand for contact tracing has restricted our ability to directly contact the family of each student identified as a close contact within our district. **For 14 days, starting today, please monitor your child for any symptoms of COVID-19.** If your child develops any symptoms of COVID-19, please **KEEP YOUR CHILD HOME FROM SCHOOL** and contact your child's provider's office or the Forest County Health Department for further instruction. Testing for COVID-19 is strongly recommended.

Symptoms of COVID-19 include:

- Fever (temperature 100.4 F or higher)
- Cough
- Trouble breathing
- Chills
- Muscle / body aches
- Loss of taste or smell
- Runny nose or congestion
- Fatigue
- Nausea, vomiting or diarrhea

Along with COVID-19, our district is seeing an increased prevalence of RSV (Respiratory Syncytial Virus), Hand Foot and Mouth Disease, and other childhood illnesses. Our district continues to do everything that we can to keep our staff and students healthy and in-person learning, but we need your help as parents/guardians. Please **DO NOT SEND YOUR CHILD TO SCHOOL WHEN HE/SHE IS ILL**.

Sincerely,

Jasee Novak, BSN, RN
School Nurse
School District of Crandon
