May 8, 2023

Dear School District of Crandon Staff,

We hope you have had the opportunity to enjoy some of the warmer weather that has been upon us. As we look to the week ahead, we are excited to honor the employees of the School District of Crandon.

This week is nationally recognized as Teacher Appreciation Week. It takes a village to inspire life long learners in a safe school community. The School District of Crandon has chosen to celebrate all of our employees this week. From our maintenance and food service workers, to administrative and support staff, and everything in between. Our wonderful staff has chosen to work in an invaluable profession where the standards, expectations, and challenges are ever changing.

Our educators and staff display patience, understanding, and persistence in their dedication to the success of our young learners. As students find their passion and hope for the future, our school district grows together. Without a doubt, our employees contribute in unifying our community. They remain a reliable constant in our student's lives and provide stability when our kids face seemingly overwhelming challenges. In short, they are the glue that holds over eight hundred students together; providing instruction and personalized learning while acting as caretakers, counselors, coaches, mentors, and role models.

We truly appreciate the meaningful work that our employees do every day, not just this one week in May. I encourage our community, students, and administrators to take a moment to recognize and appreciate our faculty and staff not only this week but in the weeks, months and years to come. No act is too big or too small.

On behalf of the School District of Crandon's Board of Education, it is my privilege to extend a heartfelt message of gratitude for the work that our employees do. I have personally witnessed their effort, dedication, and sacrifice. I am incredibly honored that our teachers and staff have chosen Crandon School District as a place to make a difference in the lives of others.

Sincerely,

Melanie Wagoner
Board President
Board of Education School District of Crandon
