Rebecca Gerow  
EL Dean of Students  
715-478-3339 Ext. 6025

Dear School District of Crandon Families and Staff,

I hope this message finds you well. As you are aware, our school was closed due to concerns regarding a potential carbon monoxide leak. Ensuring the safety and well-being of our students and staff remains our utmost priority.

After thorough investigations and in consultation with relevant authorities, it has been determined that further testing and inspection are necessary to conclusively address these concerns. Therefore, we have decided to extend the closure of the school through spring break. **Currently, we are planning for all students and staff to return on Tuesday, April 2.**

With the safety of our students and staff at the forefront of all of our decisions, we have decided to reach out to an additional company to further explore this situation and to ensure that we have completely ruled out any potential mechanical issues and to come to a resolution. Wisconsin Mechanical, out of central Wisconsin will be coming on Monday to assist with our investigation.

In addition to ensuring the mechanical issues are corrected and to mitigate any potential risks, we are arranging for comprehensive cleaning of our facility. This process will involve thorough inspection, cleaning, and maintenance of all HVAC components to ensure optimal performance and eliminate any potential sources of contamination or hazard. Due to the in-depth nature of this cleaning, we want to ensure that sufficient time is provided, which will start as soon as we are given clearance and continue through spring break.

We understand the inconvenience this may cause and appreciate your patience and understanding as we work diligently to resolve this matter. As we continue to plan out this upcoming week, we are working towards a date where we will be able to have staff assist families and students to obtain their personal belongings.

Please stay tuned to our official communication channels for further updates and instructions, as we will continue to provide updates as new information becomes available.

Thank you for your cooperation and understanding.

Sincerely,

Kirby Schultz  
Interim District Administrator  
School District of Crandon
