

SKYWARD ONLINE REGISTRATION

Once logged into family access, you will see this screen where you can register your child.

After clicking on your child's name, it will begin the registration process. After the information is entered make sure you push the complete step button.

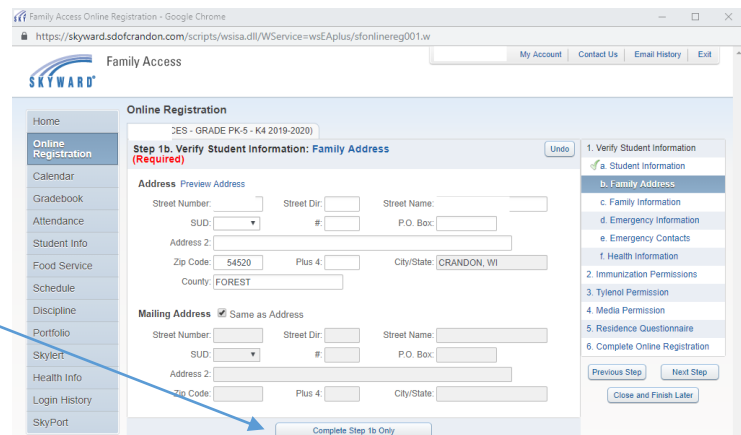

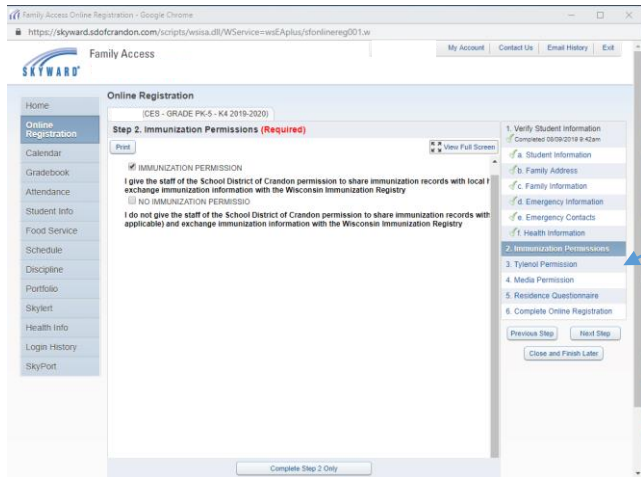

A green check mark will appear once you have completed the step.

Click Next Step to proceed.

Continue verifying steps A-F under student information.

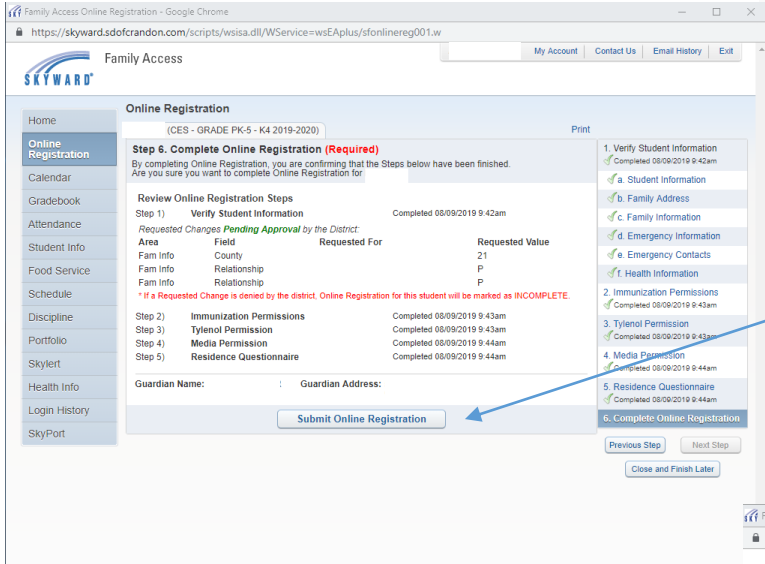

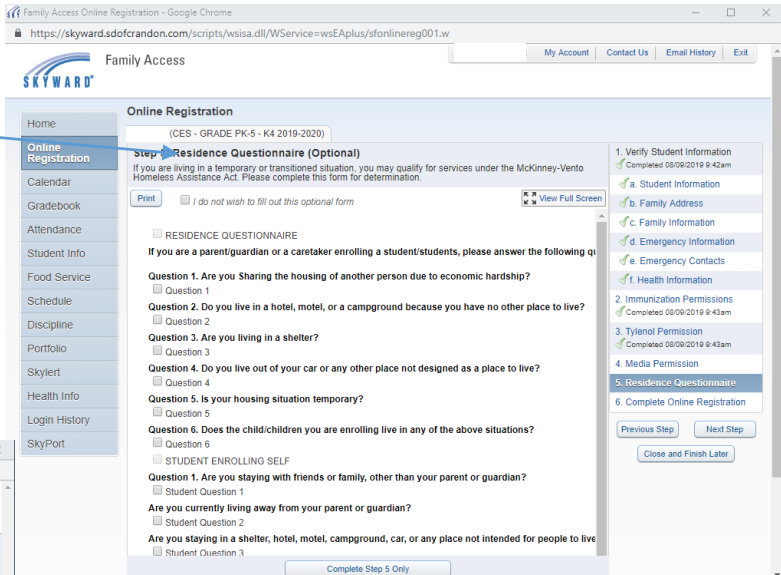

Remember to push complete step before proceeding to next step.

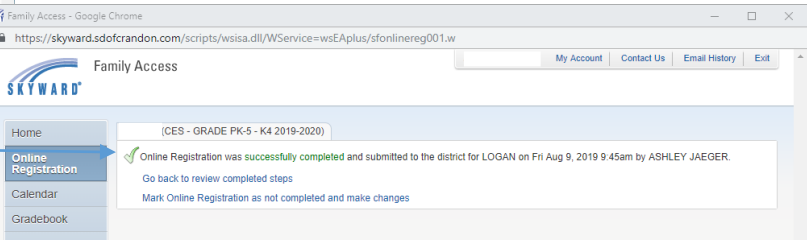

For Steps 2-5, please choose a response before completing this step.

The Residence Questionnaire is an optional step in the registration process.

Once you have completed each step, click on Submit Online Registration to finish the process.

This screen will appear after submitting your registration.

If you have more than one child to register, click on Online registration to choose another child.
