2370 - **EDUCATIONAL OPTIONS PROVIDED BY THE DISTRICT**

The Board recognizes that students learn in different ways and therefore provides a variety of educational programs and options to students developed and approved through the Board and the administration.

The District program includes a variety of opportunities using both on-site and distance learning. The availability of educational options varies depending on the school of attendance and individual student circumstances, and the District is frequently evaluating and updating its programs. Students and parents are encouraged to consult with the school administration to discuss programs best suited for them. The following contains brief descriptions of the educational options available through the District's program, but is not intended to be an exhaustive list:

Early College Credit Program

High school students may take college courses for high school and/or college credit in accordance with Policy 2271 - Early College Credit Program.

Start College Now Program

Students enrolled in grades eleven (11) and twelve (12) may take technical college courses for high school and/or college credit in accordance with Policy 2271.01 - Start College Now Program.

Advanced Placement (AP) Courses

Students may enroll in AP courses that prepare students for the College Board's annual AP Exams offered in the spring. Students may earn college credit based on their AP Exam score.

Global Scholars

Dual Credit Programs

Students enrolled in grades eleven (11) and twelve (12) may take approved dual credit programs with Nicolet Technical College in accordance with State law and District procedures.

Tutorial Programs

Eligible students may receive tutoring from staff or designated student tutors. Qualified students may be appointed to serve as tutors for service credit or academic credit.

Independent Study

Independent study provides the opportunity for students to explore career options or to take a course not available as an offered course. Independent studies may also take the student into the greater school community for experience under the co-sponsorship of people in other professions, businesses, government, or industry.

Advanced Study

Advanced study offers students the opportunity to go beyond the curriculum of a course or to integrate two (2) or more content areas. Advanced studies may also take the student into the greater school community for experience under the co-sponsorship of people in other professions, businesses, government, or industry.

Online Courses

Students may enroll in online courses when such course is not otherwise available or as an educational alternative better suited to the diverse learning needs of students.

Work-Study Programs

Students may enroll in the District's cooperative education program offered with a course or in a work-study program designed to the individual needs of the student.

Summer School

The District offers a summer school program.

Youth Apprenticeship Program

The District offers a Youth Apprenticeship program as part of the Statewide School-to-Work initiative.

Full-Time Open Enrollment Program

The District offers a full-time open enrollment opportunity to students in accordance with Policy 5113 - Open Enrollment Program (Inter-District).

Part-Time Open Enrollment Program

The District offers a part-time open enrollment opportunity to students in accordance with Policy 5113.01 - Part-Time Open Enrollment.

Courses for Home-Based Private Education Students

Students enrolled in home-based private education programs may take up to two (2) courses per semester in the District in accordance with Policy 9270 - Home-Based, Private, or Tribal Schooling.

Notification of Educational Options

Annually, the District shall provide a list of educational options to parents in accordance with Policy 8146 - Notification of Educational Options.
