#### Crandon Elementary Library

We strive to make the resources in the library available to everyone in our school who needs it, when they need. Therefore, this school year, we will run a flexible library schedule for students in grades 2-5. This allows students daily access to information, books for pleasure and to collaborate with other students and staff. Library and media skills will still be taught through the library, but as scheduled by the teacher and in conjunction with what students are learning at that time. Teachers will also have the opportunity to sign-up for many literature appreciation activities throughout the year. Each day from 9:15-10:15 and then again from 1:45-2:15 students are invited to browse the library on their own during Open IMC times. We will also offer enrichment opportunities as the year progresses during the 1:45-2:15 time slot (recess). These opportunities will include book clubs, book talks, stem activities, crafts and more! Please watch the elementary newsletter for more information on library events.

#### 4<sup>th</sup> GRADE FIELD TRIP

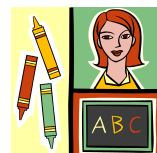

The Fourth Grade will be taking a field trip to Heritage Hill State Park in Green Bay on Friday, September 19<sup>th</sup>. The bus departs at 6:30 am and students will need to bring a sack lunch and be at the school by 6:15 am.

#### NEW STAFF

Please help us welcome our new staff:
